PBPC is looking forward to an awesome time of refreshing in fellowship and stretching of mind and heart at our first Reformation Day Family Retreat this October 24-26. Gathering with the congregations of our sister churches in Kalispell, MT, and Edmonton, AB, as well as brothers and sisters from some of our other Presbytery churches, we will focus our attention on some of the great leaders of the Protestant Reformation. To do this, we've invited renowned church historian Dr. Edward Panosian from Greenville, SC, to be our guest as he presents to us a series of historical monologues he calls "Church History in the First Person." Luther, Calvin, Knox, and Tyndale come to life in these compelling presentations, and we hope you will be able to join us. Our retreat site is in the breathtaking heart of the Canadian Rockies, at Crowsnest Pass on the border of British Columbia and Alberta. The registration deadline is October 6. Please call 208-267-3327 or email us at [keruxpine@yahoo.com](mailto:keruxpine@yahoo.com)

to obtain your registration form and more information.
