As of January 2015, PBPC has changed the service schedule on Sundays to better accommodate members of the church family who travel a distance to get here, as well as to increase fellowship and involvement in the worship of the church. So far, it's been a great blessing to us, and we hope that you will join us for worship and fellowship each Lord's Day.

- 10:00 AM – Regular morning worship service, with a focus upon gospel-shaped corporate worship, preaching, and devotion. We have incorporated the prayer and teaching time which we formerly did in the afternoons to allow for more interaction and corporate involvement in the worship.
- First Sundays – A monthly fellowship meal gives us a chance to serve one another, discuss the morning message, and generally strengthen the bonds of our fellowship together. It is also a great opportunity to get to know visitors better.
- Q&A – On other Sundays of each month, those who are interested stay around after the morning service to dig deeper into the sermon topic with our pastor.

If you'd like to contribute something to the fellowship meal, you are surely welcome to do so, but it is not necessary. There's always plenty for all!

We look forward to seeing you here and giving you a warm welcome.
